## **.AM Domain Transfer & Trade Instructions**

### **Domain Transfer** *(Change Domain Registrar)*

- Use this option if the domain name is moving from one **dotAM Registrar** to another.

### **Domain Trade** *(Change Domain Registrant/Owner)*

- Use this option if the **domain registrant name (owner) is changing**.
- The **new registrant** must also complete and return the attached form.

**NOTE:** A trade resets the domain's expiration date to **one year from the processing date**.

### **Domain Trade & Transfer** *(Change Domain Registrant/Owner and Registrar)*

- Use both options if the domain name is transferring to a **dotAM Registrar** and also changing registrant name.

**NOTE:** A trade resets the domain expiration date to **one year from the processing date**.
