.AM Domain Transfer & Trade Instructions

Domain Transfer: *Move from One Retail Registrar to Other (Own does not change)*

Select this option if the domain name is being transferred from one dotAM retail registrar to another.

Domain Trade: *Change Domain Holder Owner*

Select this option if the domain name requires a change in ownership.

NOTE: A trade will reset the domain expiration date to one year from the date of processing of the trade.

Domain Trade & Transfer: *Change Domain Owner and Transfer Domain Name to Another Retail Registrar (Organization / Individual name change & Registrar Transfer)*

Select both options if the domain name is being transferred from one dotAM retail registrar to another, and also requires a change in ownership.

NOTE: A trade will reset the domain expiration date to one year from the date of processing of the trade.

Documentation: Please complete the form below and attach supporting documents.

- ✓ Letter from the current domain owner indicating the tasks being authorized (Transfer, Trade, or both).
- ✓ Individual Owner: Attach a copy of a valid government issued photo ID for validation purposes.
- ✓ Owner Organization: The letter should be on company stationery (letterhead) and include a company seal (if available).

NOTE: Please submit form below to transfer@registr.am for immediate processing.
